From

To
The Secretary to Govt of Mysore,
Genl & Rev Departments

Sir,

With reference to the Special State Scholarships of Rs 10/- per mensem for the Junior B A Class of this year, I have the honor to submit a proposal which I trust may meet with the approval of the Government

It is that, as only two students have passed the late F A Examination in the First Class from the whole Mysore Province viz ,M Rama Rau & M Narasimha Iyengar, both students of this College, the Government will have to bestow only two of the said Scholarships out of the five which may annually be sanctioned for this class

In these circumstances I beg to propose (i) that the equivalent of one viz , two scholarships @ Rs 5/- each, may be bestowed on two Shimoga Students who have joined the Junior B A Class of this College as a reward for the exceptional success of Shimoga in the late F A Examination Shimoga College passed in all nine for the F A Examination and four of these have joined the Junior B A Class here, of these four one held a State Scholarship,one a Local Scholarship, one a [redacted], and one was paying in the Shimoga College

(ii)I have further to propose that another of the vacant State Scholarships of Rs 10/-per mensem may be bestowed for the current year on B N Srinivas Iyengar, who passed all three Branches of the B A Degree Examination in January 1899, taking the first place in the First Class for the whole University in Mathematics He is attending the Physics & Chemistry classes this year with the intention of further passing the Science Branch (II A) of the B A Degree Examination before graduating

He is in every way an exceptional student and this spontaneous action of his is very laudable and deserving of all encouragement

It is the first example of post-graduate study undertaken from sheer love of Scientific knowledge and I should have been very glad if a Damodar Das Scholarship could have been bestowed on him He is attending both the Senior and Junior B A Classes so that he will be able to finish the Science Course this year and appear for the Examination in January next, and therefore my request, if granted, will only utilise half of the vacant scholarship

I have the honor to be,

Sir,

Your most obedient servant,

Principal
